Case 4-RC-21697

HEALTH PROFESSIONALS AND ALLIED  
EMPLOYEES (HPAE)  
Petitioner

Erratum

On August 3, 2011, the Board issued its Decision and Certification of Representative in this proceeding. In so doing, the Board, among other things, denied the Employer's Motion for Reconsideration of the Board's Order granting the Petitioner's Special Permission to Appeal. However, the Board's Decision inadvertently failed to rule on the Employer's Request for Review of the Regional Director's Supplemental Decision on Objections to Election. Accordingly, the Decision is amended to include the following at the end of footnote 1:

The Employer's Request for Review of the Regional Director's Supplemental Decision on Objections to Election is denied as it fails to raise substantial issues warranting review.

By direction of the Board
